clearing of silt &c will serve as measures of relief. It is on the latter ground that the improvement of the Sulekere channels ~~is~~ is proposed to be taken up & by the D.C. Shimoga and this action seems to be justifiable according to the Govt. of the 12th Dec: '08.

The Chief Engineer has forwarded copy of the letter merely for information. We may take action if any communication is received from the D.C. Shimoga in the matter. In the meantime this may be filed after perusal

Mysore Public Works Department,

No. 8214 Central Office,

Dated Bangalore 23rd December 08

From,

W.Mc Hutchin Esquire, M.I.C.E.,

Chief Engineer of Mysore,

B A N G A L O R E.

To,

The Deputy Commissioner,

Shimoga District.

Sir,

I have the honor to acknowledge the receipt of your letter Camp No. C. dated the 19th instant, stating that you have asked the Executive Engineer, Shimoga Division, to put in hand the work of improving the Sulekere Channels, as it will afford labour to the labouring and cooly classes in the affected parts of the Channagiri Taluk, and requesting that the necessary funds may be placed at the disposal of the Executive Engineer, so that he may start the work at once &c,.

2. In reply, I have to inform you that the Superintend--ing Engineer, Western Circle, was requested on the 14th ultimo, to have an estimate for clearing silt in the Sulekere Channels prepared and forwarded to you, so that the required work may be carried out under your agency, either by the Revenue Department or by the ryots, as is usual in cases of neglect of maintenance work by ryots , ~~xxxxxxxxxx~~ to restored irrigation works.

3. I have no funds at my disposal for maintenance works of this kind, but I have no objection to the work in question being carried out by this Department, if you will accept the charges incurred thereon as contribution recoverable from the ryots concerned, subject to orders of Government being subse--quently obtained on the question of levying or waiving the

contribution.
